Return this completed form **with a sample bag and/or container** to the Idaho State Department of Agriculture (ISDA) at the above address. Please notify the ISDA in writing if a brand registered by you is sold or transferred and to whom. If you are no longer using a private brand and wish to relinquish your rights to it, please notify the ISDA in writing and the registration for the brand will become invalid.

SIGNATURE OF APPLICANT _____

The vast majority of private potato brands registered with the ISDA are registered to a company. However, upon request, a private potato brand may be registered to an individual. If you wish to register a private potato brand as an individual, indicated by completing the following:
